**Event Description:** Tickets will be sold by Board Members. Each ticket will have two parts. Each part will have the same ticket number printed on them. On part one, the buyer will annotate their name, address and phone number. The board member will keep this part to be used in the actual drawing. The second part of the ticket will be given to the purchaser to prove their participation in the raffle and to entitle them to a meal. The price of the ticket will be \$50 each. Each ticket will entitle the holders to a meal at the Fish Fry (13.00 value) and a single chance (37.00) to win \$5,000 cash. Each of the 250 tickets are placed in individual white envelopes, sealed and placed in a bingo cage. Winners do not have to be present to win. At approximately 2:00pm the bingo cage will be rotated several times

and an envelope drawn. The first envelope pulled is held aside and placed back in the cage when there are 49 envelopes left. Prior to each envelope being selected, the bingo cage is rotated. As each envelope is pulled, it is opened and the ticket with the purchaser's name is placed on a board for everyone in the room to see. The 100th ticket drawn is awarded \$100. The 200th ticket is awarded \$200 and the 249th ticket drawn is awarded \$250. The last ticket drawn is the grand prize winner and wins a check for \$5,000. 1099's are prepared, as required, for the winners. The volunteer fire department will net approximately \$3700.
