Event Location: 810 Nonaville Road

Mt. Juliet, TN 37122

Wilson County

Price per Ticket, Share, Chance/Other

$100

Event Description: The Mt. Juliet Rotary Club's Annual Reverse draw event is conducted by selling 300 tickets to the general public for $100 each. Each ticket bears a unique number (1 - 300). The grand prize for the event is $10,000.

On the day of the event, 300 uniquely numbered ping pong balls are placed into a clear tumbler. Cards number 1 - 300 are placed on a wall at the front of the event venue and are visible to all attendees. A club officer/board member draws the balls from the tumbler one by one and announces each number drawn. As each numbered ball is drawn from the tumbler, the card with the corresponding number is removed from the wall. The premise of the

5/5/2016

event is that the person with the ticket bearing the number of the last ball which has not been drawn from the tumbler wins the grand prize.

After each 50 balls are drawn the event is stopped and a reconciliation is made for accuracy of the drawn and remaining numbers. The 50th 100th 150th 200th and 250th numbers drawn win a door prize and are not eligible for the grand prize. Once only ten balls remain in the tumbler, the ticket holders of the remaining ten numbers are given the option to split the grand prize evenly. If the remaining ten numbers are given the option to split the grand prize, then it will be split among those ticket holders. If there is not unanimous agreement, then another ball will be drawn and the remaining nine will be given the option to do the same thing until a unanimous agreement or the last ticket is pulled and won.

The owner of a ticket is not required to be present at the event to win, but the ticket itself must be present. The event is held publicly and all foregoing steps are done in the open for all present to observe.
