Nashville, TN 37203  
Davidson County

**Price per Ticket,  
Share, Chance/Other** \$40.00

**Event Description:** THCEF (Tennessee Health Care Association Foundation) will be selling pairs of synthetic diamond earrings in the THCEF/TNCAL trade show to raise money for scholarships. THCEF will purchase the synthetic stone earrings as well as one pair of real diamond earrings. Each of the earring boxes will be numbered and when they are sold to trade show attendees THCEF will register the box number and the purchaser's name and contact information. The

ticket with the purchaser's name and box number will be placed in a drawing cage. At the end of the trade show on Tuesday, September 1, 2015, Jesse Samples, Executive Director of the Tennessee Health Care Association or THCEF Board Chairman as of 1-1-15, Lori Goodman, will draw the winning ticket containing the winning box number from a drawing cage and announce the earring box number that contains the real diamond earrings. There will be a gemologist on the site at this time to confirm the authenticity of the stones. If the "winner" is not present, the THCEF will contact the purchaser and arrange for an authentication of the stones and delivery will be arranged. Each pair of earrings will be sold at market rate for synthetic diamonds but one of the purchasers will receive a pair of earrings worth over \$1,000.00. Winner does not need to be present to win.
