**Event Description:** Chances will be sold at \$5.00 each for 2 months prior to Duck Derby Race. Each chance sold will correlate to a number. On the day of the Derby August 1, 2015, Gabe's My Heart will use an online random number generator to choose the winning number based on the number of chances sold. Everyone purchasing a duck is allotted a number. On the chosen date 1000 rubber ducks will be released into the lazy river at Nashville Shores. The rubber ducks

are held in plastic tubs and dumped into the lazy river by life guards at Nashville Shores. They are then caught and fished out by the same life guards. The duck race is a symbolic gesture as the winning number is chosen by an online random number generator. The highest and lowest numbers are fed into an online number generator and a number is picked at random. Prize winners do not need to be present to win and prizes are distributed via mail.
