Event Description: We sell 150 bones for \$100 each. The bones are packaged bone shaped dog treats. We label each bone package with purchaser's name. On the day of the event, the bones are placed into a box and carried to the top of a fire truck ladder by a fireman. The fireman dumps all of the bones out at once and they fall onto a target placed on the ground. The owner of the bone that lands closet to the center of the target wins the prize of \$5,000. The winner does not have to

be present to win.
