**Event Description:** Each raffle ticket purchased by a buyer will have its own number and match another ticket with the same number, which our organization will keep in order to choose a winner. The tickets will be professionally printed. We will keep track of the copy for each ticket sold and include the name and contact information for each buyer with their ticket number. The raffle tickets will be drawn from a large, rotating raffle drum. The drum has a hinged lid with a keyed

camlock and a slot for inserting the tickets. The tickets will be drawn by the President of the Minerva Foundation.

The winners do not have to be present to win. Winners will be notified of their winnings and provisions made to secure their prize.

In the event of a cancellation of the event, persons purchasing tickets will be given a refund.
