\$50.00

Event Description: The event will be a reverse draw or reverse raffle. Tickets will be sold for \$50.00 which will entitle the holder to a specific ticket number. The holder has a ticket stub with a unique number between 1 and 300. The Foundation has the other part of the stub with the number and the same of the holder. We use a round metal cage that contains 300 numbered balls. Each ball contains a unique number that matches a specific ticket number. The cage is mounted

on a stand and has a handle that rotates the cage. When the rotation stops one ball falls out at random. The number on each ball is called out until 297 balls have been dropped from the cage. The last three balls dropped are, in order, the third prize winner, the second prize winner, and the grand prize. We have a Master of Ceremonies that is not a member of the foundation that draws the balls and calls out the ball numbers. The winner of the three cash prizes does not have to be present to win.
