The tickets are placed in a custom-built see through mesh barrel, the barrel is spun and then the top is open to draw out a ticket. The twist on this raffle is that instead of the winning ticket being the first one drawn, the winning ticket is the last one drawn. The hostess of the evening will draw the last ticket. Ticket holders will be given additional chances throughout the game to sell or

trade their tickets for other donated items. The winner does not have to be present to win.
