Event Description: Ronald McDonald House of Memphis Drive it Home Vehicle Raffle will be selling raffle tickets for $20 each. The event will end Friday, May 18, 2018. We will have 6,000 raffle tickets printed. The chances of winning are based on that number. If fewer tickets are sold, your chances of winning the Grand prize and other prizes improve. The Grand Prize winner assumes all fees; local, state, and federal taxes (including but not limited to income taxes based on

the value of the car); and financing costs (including, but not limited to, closing costs and DMV taxes and fees) which must be paid when the car is transferred to the winner.

All tickets that qualify for the early bird prize will be placed and thoroughly mixed in a large raffle drum. A child staying at Ronald McDonald House of Memphis will draw one ticket to determine the Early Bird prize winner. The early bird winner's information from the ticket will be recorded by the RMHC Memphis staff to notify the winner and then returned to the raffle drum. All remaining raffle tickets purchased will be added into the raffle drum with the early bird winner and early bird tickets so all purchased tickets for the grand prize are in the raffle drum. Tickets will be mixed thoroughly and a child staying at Ronald McDonald House of Memphis will draw five raffle tickets from the raffle drum. Each person drawn will be invited to the final drawing, where one of those five people will win a Ford vehicle. The remaining persons will receive the winning prize based on the order in which they were drawn. Winners do not have to be present to win.
