Event Description: The event will be conducted as a reverse raffle consisting of 600 individual tickets that cost \$100.00 each. All tickets will be sold prior to the event, and money will be collected prior to the event. The reverse raffle will take place during a community concert. Starting around 7:00 PM, tickets will be drawn out one at a time and eliminated at the time they are drawn out. The ticket will be time stamped and recorded by hand. One ticket will be drawn and

eliminated approximately every one to two minutes, until there is one ticket left. The last ticket will denote the winner, and the winner does not have to be present to win.

The tickets will be drawn from a raffle bowl by a team of five to six individuals. This team will include at least two officers from Junior Service League of Maryville, and the rest will be community volunteers. One individual will draw the actual ticket, another individual will confirm and time stamp the ticket, a third individual will mark the number off of the tracking board, a fourth individual will keep track of the tickets drawn on a separate spreadsheet, and a fifth individual will oversee the process, filling in holes as individuals need to take breaks.

The prize, \$10,000.000 cash plus taxes paid (approximately \$3,333.33 in taxes), will be awarded to the winner either at the conclusion of the event, if the winner is present, or at a different time arranged between the Junior Service League Treasurer and the winner.
