**Event Description:** The gaming event will be a raffle. We are raffling a single "Special Elk-Take Permit." The permit will entitle the holder to hunt elk in Tennessee during the 2018 elk season. We will sell tickets through electronic means along with selling physical tickets. The winner will be randomly drawn by the states Wildlife Agency, and does not have to be present to win.

Elk Raffle tickets will be sold electronically through the Remote Easy Access Licensing (R.E.A.L) System. The drawing will be conducted via electronic randomization by Brandt Information Services, Inc.

This is the system that is used to sell Tennessee hunting and fishing license as well as random draw quota hunts in the state.
