Event Description: The event will be conducted as a reverse raffle consisting of 600 individual tickets that cost \$100 each. All tickets will be sold prior to the event and money will be collected prior to the event. The reverse raffle will take place during a community concert. Starting around 7pm, tickets will be drawn out one at a time and eliminated at the time they are drawn out. The ticket will be time stamped and recorded. One ticket will be drawn and eliminated approximately every 1-2 minutes, until there is one left. The last ticket will denote the winner and the winner does not have to be present to win.

The raffle tickets will be drawn from a raffle bowl by a team of 5-6 Individuals. This team will include at least one officer from the Eagleton Ballpark and the rest will be community volunteers. One individual will draw the actual ticket, another individual will confirm and time stamp the ticket. A third individual will mark the number off the tracking board. A fourth individual will keep track of tickets drawn on a separate spreadsheet and a fifth individual will oversee the process, filling holes as individuals need to take breaks.

The prize, \$10,000 cash, plus taxes paid (approximately \$2,800 in taxes), will be awarded to the winner either after the event, if the winner is present, or at a different time arranged between the board treasurer and the winner.
