Event Description: Raffle tickets will be sold at the event, capturing the name of the purchaser and his/her cell phone number. The purchaser of the winning ticket need not be present when the ticket is drawn. As there are multiple fights of shooters at the range, some participants will have left the range for the day before the time of the drawing at the end of the day.

There will be 200 tickets available for purchase at the event upon registration. Tickets will not be available prior to the event.

80 Shooters is the average turnout for the event.

The prize is anticipated to be a donated firearm iconic to the veteran's community, such as a 1911ACAP pistol, a Mossberg shotgun or a M1 rifle. The prize is not expected to exceed \$900 in cash value. The winner will submit himself/herself to a successful Federal Firearms background check at a Federal Firearms Licensed dealer or gun shop with the Clay Shoot Chairman or other designated ETVMA Board member Commandant or other designated officer in order to take ownership of the prize. If the winner is unsuccessful at the background check, a cash prize of the same value of the eventual weapon to be raffled will be offered. The

firearm will be legally sold through a licensed firearms dealer to recover the amount of the cash prize.

The drawing will be from a solid in color plastic container, barrel shaped, with the individual tickets not visible to the person drawing the ticket. The volunteer drawing the winning ticket will be a board member of ETVMA, the president if present, who will not, like the Clay Shoot Chairman and other board members, be eligible to participate.

The winner chosen by the identifying ticket need not be present to claim their prize. The Prize will be delivered to the winner within 30 days or as soon as practical within the confines of the successful Firearms background check.
