Shelbyville, TN 37160
Bedford County

**Price per Ticket,
Share, Chance/Other** \$10.00

Event Description: Rubber Ducks will be sold for \$10.00 each and will be printed with an identifying race entry number. A minimum of 100 ducks must be sold to conduct the race. Duck sales will began May 7, 2018 and end one hour prior to releasing the ducks. Winners will be determined by video at the finish line. Local dignitaries will also serve as honorary finish line judges. The owner of the winning duck does not need to be present to win. All ducks will be dropped into the Duck River from one (1) single net at 12 Noon, September 3, 2018. The first to swim across the finish line will be declared the winner. We are working with our local City and County Administration, local emergency Personnel, and Duck River Management to ensure safety of our guests. The winner will be notified within 24 hours after the race has been completed. If the winner does not claim the prize within thirty (30) days, the winner forfeits their claim to the prize. The prize would become a donation to United Way of Bedford County and would be used to continue the mission work of United Way of Bedford County.

No "Rain Date" will be planned in the event of inclement weather, which would prevent the event from taking place as scheduled. The winner would then be determined by a random drawing from all Entrants.
