Event Description: Beginning in June 2019, we will begin allowing the public the opportunity to sponsor a rubber duck (or ducks) in the duck race. Each duck sponsored will equal one chance to win in the race and cost \$5. We will sell as many chances as possible (historically around 1500-2000). As ducks are sponsored the purchaser's names are added to an online master list. Each duck or chance is assigned to a number.
Approximately 2000 rubber ducks will be transported to Nashville Shore Water park on the day of the event. We will continue to sell ducks sponsorships all day at the park.
The lazy river is cleared of guests and the ducks are dropped in by the 50-gallon bucket full. The ducks race around the lazy river and a symbolic winner is fished out by a volunteer. The winning number is actually chosen by an online random number generation.
The winner does not have to be present to win.
