Event Description: A volunteer will be selling the wine bottles for \$100/wine bottle. All include wine bottles and some will be autographed by a Nashville Predators player and some will not be. There will be 2 bottles that are autographed by the entire team. This event will take place at the arena as part of our Wine Festival & Tasting event after people register they may then purchase a mystery Wine Bottle if they would like. The attendee will choose which numbered bottle they would like and can pick it up then or at the end of the night as they are leaving. Of the 150 bottles of wine, 100 will be autographed, 2 autographed by the team and 48 not signed. All will most likely include a photography gift certificate so everyone is at least receiving value of at least what they paid.
