Event Description: There will be 100 golf balls numbered from 1 to 100. Individuals attending will pay \$100 and select a golf ball with a number on it. The items for give away are numbered randomly. Each item drawn is given that number. For example a piece of paper with an item written on it is drawn and that will be numbered item #1 and so on until all balls have been numbered. At the end of the event each person will bring their numbered golf ball back to the table, hand it to us and we will then give them the item that has the same number. Value of items can range from \$100 to \$1,000.
