Event Description: The game will be played by the buyer of a ticket writing their name and contact information on a slip of paper available at the point of ticket sale. The completed slips will then be placed inside a raffle container owned by the Show (large brass device that rolls as you crank the arm), and one of the co-chairs of the Show will draw the winning slip of paper for each prize from the brass raffle container at the end of the Preview Party. The winner does not need to be present to win, but they may only buy tickets at the event (Preview Party).
