Event Description: Tickets will be sold for a reverse raffle concluding with 5 prizewinners. Tickets will be placed in a tumbling ticket turner; a volunteer raffle committee (ineligible to enter the drawing) will draw from the tumbler in a public place until the last 5 tickets remain. Winners do not have to be present to win but will be called immediately upon winning. They will be given the opportunity in the phone call to split the proceeds 5 ways or draw to determine only one winner. Majority vote of the 5 prize winners decides the choice of splitting or drawing down to one. If a drawing takes place, a youth randomly picked from the audience will draw for the winner.
