Event Description: There will be 100+/- golf balls numbered from 1 to 100. Individuals attending the event will pay \$100.00 per golf ball selected. The items for the drawing are numbered by randomly drawing each item and as they are drawn that number is given to an item, for example a spreadsheet showing what makes up an item valued at a minimum of \$100.00, is drawn and that number is assigned to a ball. At the end of the event each person that purchased a golf ball will return that ball to the booth and the item that matches that number is given to the winner. The value of each item can be from \$100.00 and up.
