Event Description: Purchase price will be \$5.00 per duck for the \$500.00 prize. Participants will receive a ticket with a number matching their duck. We plan to sell 500 ducks at \$5.00 and have t-shirts with sponsor names available for purchase. At the starting line, ducks will be simultaneously emptied into the water. Ducks will be placed in a barrel container and emptied into the creek. A device will be placed in the water that will only allow one duck at a time to come through. The winning duck will be the one to cross the finish line first. Additional prizes will be awarded in different categories to add excitement to the event. The winner does not have to be present to win.
